These activities promote motor skills, language development, creativity, and social skills, providing a well-rounded preschool experience. How can parents support their child's learning at a two, three, or four-year-old preschool level? Parents can support learning by engaging in daily reading, encouraging imaginative play, establishing routines, and communicating regularly with teachers. Providing a nurturing environment at home that complements preschool activities helps reinforce developmental progress. What are common challenges faced by preschoolers aged two to four, and how can they be addressed? Common challenges include temper tantrums, separation anxiety, and difficulty sharing.
