The Origin of "America the Beautiful"

Poetry and Composition by Katharine Lee Bates

The story begins in the late 19th century with Katharine Lee Bates, a respected poet and professor at Wellesley College. In 1893, during a trip to Colorado Springs, Bates was struck by the stunning vistas of the Rocky Mountains, the lush greenery, and the grandeur of the natural landscape.

Ward, a church organist and choir director, adapted the tune "Materna," a popular hymn melody composed in 1888. His adaptation was first published in 1910, aligning perfectly with Bates' poem.
