Founded in 1979, Medallion offers a range of cabinetry lines, from traditional to contemporary styles, with various wood types, finishes, and customization options to suit different aesthetic preferences and budgets.

The company primarily produces semi-custom cabinets, meaning they are built to order with a certain level of flexibility, allowing homeowners to tailor cabinets to their specific needs while maintaining efficiency in production and pricing.

5. Finish and Paint Options

High-quality finishes, paints, or special distressing techniques elevate the price compared to standard finishes.
